## Safe Passage's Monthly news & updates

February 2021: Teen Dating Violence Awareness Month

### February

In February, we recognize Teen Dating Violence Awareness Month.

As many as one in three teens in the US will experience physical, sexual, or emotional abuse from someone they're in a relationship with before they become adults, and nearly half (43%) of college women report experiencing violent or abusive dating behaviors.

We're grateful to the schools in our county who understand the importance of healthy relationships and invite us in to talk with their students each year!

At Safe Passage, we offer free trainings on the signs of abuse, how to handle disclosures of abuse, and more. If you'd like to set up a training for your business or organization, call us at 815-756-7930 or email Lynnea at [llaskowski@safepassagedv.org](mailto:llaskowski@safepassagedv.org)

## **Introducing Vice President, Nancy Partch**

Nancy Partch is a member of the DeKalb Community and is a Retired Administrator of Kishwaukee College. Nancy joined the Board of Directors in 2016 and currently serves as the board's Vice President.

She explains why she joined the board by saying, "In my previous position at Kishwaukee College I collaborated closely with Safe Passage on prevention programming, Title IX initiatives and providing confidential advisor services. I was incredibly impressed with the talent and dedication of the agency staff and the scope of the programming available to the community. When I was offered the opportunity to join the board I jumped at the chance to serve. I am proud to support the mission and vision of the organization and it's focus on the

dignity of every individual. I believe Safe Passage truly changes lives and is vital to the health and safety of the community."

**Fun Fact:** Nancy says she unexpectedly became skilled at jigsaw puzzles over the last year and enjoys her new hobby!

## **Swept Under the Rug Exhibit Receives Award**

We are excited to announce that our recent collaboration with the The Pick Museum of Anthropology at NIU, Swept Under the Rug, received the 2020 Award of Superior Achievement from the Illinois Association of Museums (IAM)!

The judges noted that this was an amazing example of the power of community collaboration. "Safe Passage approached the Pick Museum about doing an exhibit, and from there it became a true collaboration with Safe Passage members providing content and insight, while Pick staff guided the transformation of ideas into exhibits, while keeping the power of Safe Passage voices."

The IAM Awards Committee stated they "were also impressed that the exhibit presented options for all visitors

to engage with difficult subject matter in their own way—from quiet spaces to process information to banners allowing allies to show support, all experiences were considered valid and important."

This achievement would not have been possible without the hard work and vulnerability from the survivors who made this exhibit possible!

## **Building New Beginnings**
