May

Thank you, Give DeKalb County Donors!

On May 6th, Safe Passage participated in Give DeKalb County, a 24-hour fundraiser for local non-profit organizations. Due to the generosity of our incredible community and 373 donors, Safe Passage raised \$61,003! These funds will assist us in providing free and confidential services to survivors of violence.

We are grateful to those who donated, those who advocated for us, and those who traveled through time with us on our social media pages.

A big thank you also goes to those who gave to this year's bonus pool, a fund set aside to benefit all those involved in Give DeKalb County.

We believe that everyone deserves to be safe. We believe no one deserves to be abused. We believe we can and we are building a future without violence. And we are doing it with you at our side.

Meet Our Board

Introducing Board Member, Tarryn Thaden!

Meet Board Member, Tarryn Thaden! Tarryn is a member of the DeKalb community and has been serving on the Board of Directors for 5 years! Tarryn explains why she joined the board by saying, "I wanted to do more in the community for an organization that really reaches out and helps those that need assistance. We don't always talk about Domestic Violence and Sexual Assault, but it impacts everyone in so many different ways. I wanted to be able to contribute my time to an organization I believe in and support. I'm happy to be a part of Safe Passage!"

Fun Fact! If you know Tarryn, you know she never runs out of energy! One way she channels her energy is by running. She explains, "I love running! It's my form of self care and a time where I do a lot of self-reflection." When Tarryn isn't running, volunteering at a Safe Passage event, or designing, you can find her spending time with her two dogs, Mrs. Frizzle and Tinka!
