Safe Passage's Monthly news & updates *June 2022*

Pride Month

As Summer started this last month, Safe Passage has been working closely with other organizations in the county for Pride Month. The Dekalb Pride Committee has coordinated a handful of events celebrating the LGBTQIA+ community. We hosted a wide range of events– Some events were catered to the kids with our family-friendly book reading and art night. As for the adults, we had a Drag Queen Party at Hometown Bar for the 21+. We couldn't have hosted a more successful and impactful Pride Month without our generous support of the Dekalb Community. We hope to see you all again next year!
