SUMMER RECAP

SEE HOW OUR SUMMER'S BEEN

Safe Passage understands the value in community relations and building bonds within our county. This is why the agency has been working diligently with local businesses. Not only have we've raised general awareness for the agency and its many services, but our collaborations have also raised money for the operational side of our agency. Safe Passage is deeply grateful for the collaborations we've done and excited for the ones we'll have in the future.

Earlier this month, we collaborated with Fatty's Pub & Grille for their Fatty's Fest. Despite the scorching sun, all three bands fought through and gave an amazing performance!

Thank you, Fatty's, for this opportunity! We can't wait to work with you again in the future!

A few weeks ago Safe Passage went over to the Waterman Winery and worked with them on their first 5k run. It was a huge turnout– there were over 100 contestants that participated, making it a successful 5k run!

Thank you Waterman Winery for this opportunity! And of course, thank you to everyone who came out and ran in support of our two businesses!

Super Staff Highlight

Becky – Director of Operations

With her 25th golden work-aversary just passing, so many of the Safe Passage staff wanted to share their positive words about Becky! She has made an impact on not only her staff, but as well as the clients we see and the overall agency as a whole. Your work does not go unnoticed and Safe Passage is grateful to have you, Becky!

Check out what they had to say about her in the video above.
